Good afternoon:

Thank you for your continued prayers for the people affected by the severe weather in Alabama yesterday. So far we have not received any requests for outside help in the areas of Clanton and Maplesville, or any other areas in our own annual conference. This includes donations as well as ERT teams. If we hear of any additional information, or any requests are made, we will let you know.

The North Alabama conference has now updated their website requesting that ERT teams only be from North Alabama at this time.

#### UPCOMING ERT TRAINING - Limited Space available

Storms and disasters always remind us that ERT teams are essential in the recovery process. However, early response teams must be trained properly. There is limited space available in an ERT Training this coming Saturday, January 28, at Auburn UMC. It will be from 8 a.m. to 4:30 p.m. The cost is \$20, which includes the manual, lunch, badge and t-shirt. This is also good for people who attended ERT Training more than 3 years ago.

If you are interested in this Saturday's training, please contact Glenn Glover at 334-703-1115 or [glovegr@auburn.edu](mailto:glovegr@auburn.edu). He will send more details.
